COMMUNITY

"A community is like a ship; everyone ought to be prepared to take the helm." HENRIE IBSEN

"Dear Editor,

We, the proud students of JCHS are very much interested in the support of a school bond referendum for improving the educational opportunities for the children of Jones County and hope that our citizens are as well. We feel though that most of the adults of Jones County who do not go to the school everyday cannot visualize the problems of the school and therefore, we need to bring this forward so that we may get the support of both young and old adults."

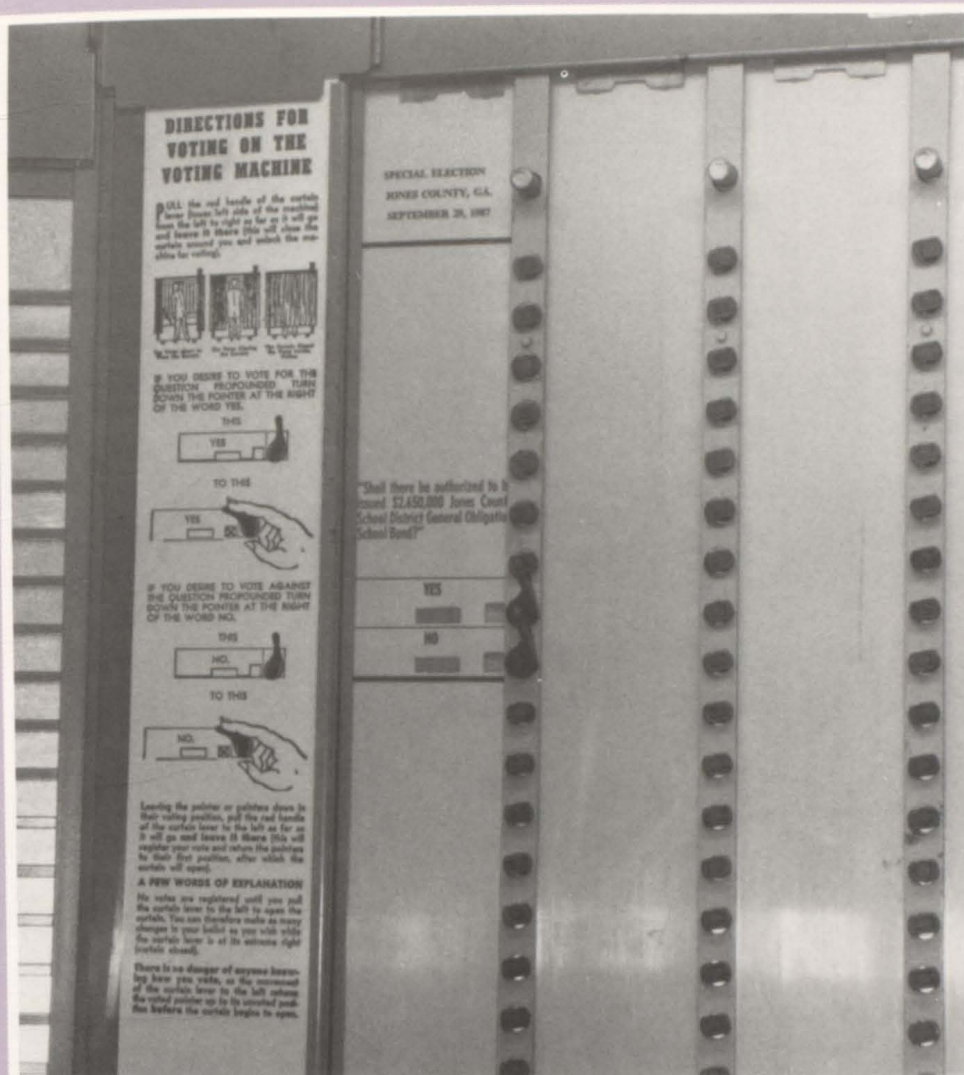

This paragraph from a letter by Kecia M. Woods, senior, to the editor of the Jones County News illustrates the presence of a strong student-community bond. The resulting YES vote to a new high school further strengthened that bond.

2. Jones County parent takes time out of a busy schedule to show support.
3. Local citizens line up to vote in the school gym.
4. September 29, 1987 is a busy day for the voting machine.

DILIGENCE

"Diligence is the mother of good fortune." MIGUEL DE CERVANTES

To be diligent is to work hard. To work hard is to be successful. Success and diligence go hand in hand in every step of life, whether you teach or are taught.

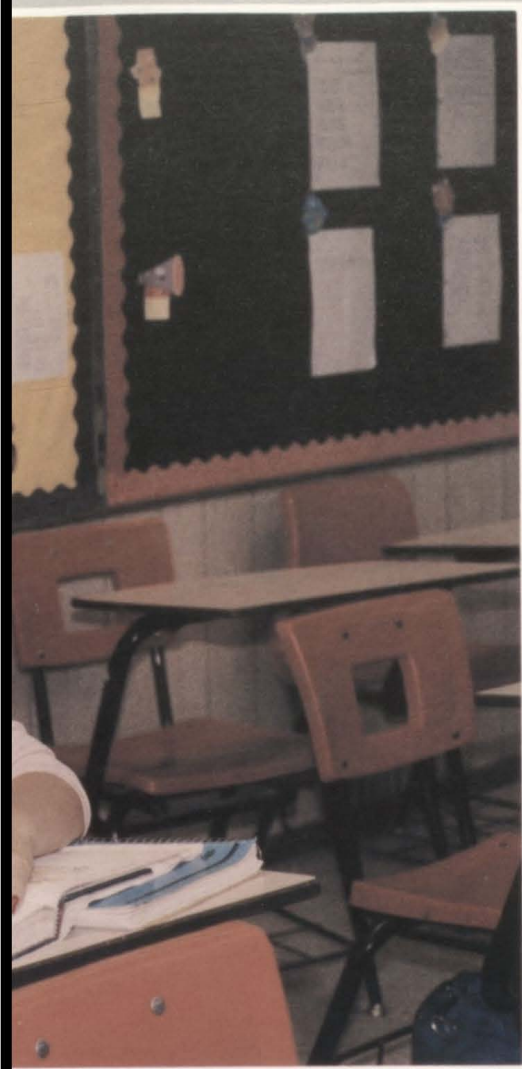

Sometimes we are required to do more than we think we are able. That extra effort after class, at the playing field, and on the job reap emotional and financial benefits.

The effect of diligence spreads outward like the ripple in a lake. That first small effort grows and grows into a big accomplishment, and the one who strives often, influences others to work harder, too.

1. Tiffany Harrelson keeps on working diligently after English class.
2. Lunchroom personnel work hard to fill youthful appetites.
3. Linton Jordan takes time out to entertain at a Spirit club meeting.
4. 1988 sees that watches serve not only as time-pieces, but also as fashion statements.

SPIRIT

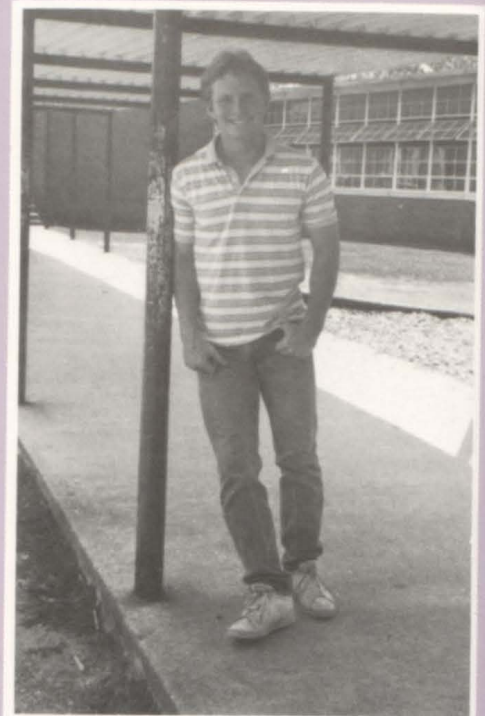

"I see you stand like
greyhounds in the
slips . . . Follow your
spirit. . . ." WIL-
LIAM
SHAKESPEARE

An aura that exudes even to the outer most limits of the school, spirit is like a contagious fever for which there is no cure. This undying spirit touches all, making us one. The school becomes a massive chain, and every person contributes to form a link.

The soul of the school is bared when the Greyhounds of any sport come onto the field or court. From the noisy bleachers, to the quietness of an empty classroom, the spirit is there. Spirit is something that cannot be touched but is like a burning wildfire that enraptures the student body and even the administration.

Spirit reaches beyond race, color, creed, or religion, pulling people of different backgrounds together. Yes, long after the craziness of Spirit Week fades and after winter's chill becomes a sweet kiss of the summer sun, the spirit of Jones County High School lives on.

1. Bryan Tompkins, JCHS quarterback, finally takes a break from his busy schedule.
2. LaJuana Daniel and Tracy Bloodworth smile with pride with the regional victory behind them.

1. Keith Bartlett gives a helpful lift to a fellow freshman.

2

3

2. Mindy Moore, senior, tries to get it together before graduation.
3. Art teacher Deborah McMahon continues to support JCHS spirit through her artwork.

2

RELATIONSHIPS

“She saw every personal relationship as a pair of intersecting circles. . . .” JAN STRUTHER

High school is the time when students begin to sense the value of relationships with friends, teachers, and members of the opposite sex. There are times when you need to confide in someone. Everyone has a teacher that he can trust, because teachers can be friends also.

Best friends are the ones you tell your innermost secrets without fear of everyone finding out. With these friends, we can laugh, cry, fight, and make-up, and our true personalities can shine through.

Have you ever had a day when you just needed a hug? A friend or teacher can say just the right thing to make everything all right. There is always someone to confide in at JCHS.

SPORTS

From the crowd comes a loud cry, "GREYHOUNDS!" But, for which of the many sports at JCHS is the crowd cheering? Could it be basketball, softball, football, or even tennis or track?? No matter which sport is on the field or court, the fans always cheer their team onward.

Behind all of this glory, sweat, and hard work, there is a team united. They must all take a moment of silence for the concentration that is necessary for the big game ahead. The individual looks to the coaches for guidance so that he can perform to his ability. Through sports, the students and faculty unite.

Mitzi Davidson, Kim Rutherford, and Angela Brown

MAJORETTES

The majorettes attended camp this summer at Georgia Southern College in Statesboro. The days were filled with work and fun, from classes in the morning to activities planned for the evening. After camp, the rest of July and August was devoted to practice.

During football season practices were held everyday, with games each Friday and an occasional pep-rally. We also twirled for several parades, including JCHS homecoming parade, the Macon Christmas Parade and a Christmas parade in Gordon.

After a few short weeks of rest, they began twirling again at home basketball games. As the year winds down they prepare for tryouts once more. It's alot of work, but the rewards, fun, excitement, and lasting friendship are well worth the effort.

LADY HOUNDS 1987 REGION CHAMPS

The Jones County High School Lady Hounds had a tremendous season in the fall of 1987. The Varsity team lost only two games during the regular season, but neither of the losses effected their region record. In the region, the team went 16-0. For the first time, JCHS also had a Junior Varsity team. Since there were no other Junior Varsity teams in the area, the JV Lady Hounds played other Varsity teams. Their record was 11-1. On October 10, 1987, the Lady Hounds won the region tournament in Dublin.

Also for the first time, the softball team was supported by a Booster's Club. The Booster's Club planned fundraisers to raise money to buy a team jacket for every player. On September 17, 1987, a 30-0-6 Remington Automatic rifle was raffled off after a month of ticket sales. Numerous carwashes and yard sales were also held. The success of the fundraisers, the support from the Booster's Club, and the team's winning season helped to make 1987 a year to remember.

SENIORS

We met Jones County High when we started as freshmen. Nervous and frightened, we watched in awe at the seniors. Wow. None of us could wait until we had what the seniors had, popularity, cars, and special privileges.

Our sophomore year passed by slowly, but our junior year flew. Suddenly, with no warning, we became the seniors.

Now, as we reflect on our stay here, we feel happy to be leaving, but somewhat sad because of what we will be leaving behind. An important part of our lives has drawn to a close. We've lived, laughed, loved, and learned at Jones County High School. We've made our closest friends, and some of us may have found our future spouses.

We've been prepared to face the challenges of life, but not without help. We'll never really be alone. You see, we'll always have each other, because we are united, together, forever as the graduating class of 1988.

UNDERCLASSMEN

Through the ages of fourteen and seventeen, teenagers' most rebellious and independent spirit comes alive. They secretly long to stand on their own two feet. These will be the last of the wild, carefree days when the realities of college seem so far away. Unknowingly, they are gradually maturing, the frame work for adulthood is being drawn.

Kerry Walker and Laura Robertson take a refreshment break during Little Kids Day for Spirit Week.

FACULTY

Nowhere in a teacher's contract does it say that a teacher has to be nice. Nor does it say that he or she has to be friendly. Here at JCHS, our teachers go beyond what is written on the dotted line. Each teacher has that special balance of proper classroom decor and sense of humor. The JCHS teachers are showing students how to reach for the stars while keeping their feet on the ground. Our faculty has captured the essence of higher learning. They are yet another extension of our families.

ADMINISTRATION

As Superintendent, Mr. Linton Jordon has guided our school through years of trials and successes. We salute him for his years of hard work and support.

ADMINISTRATION

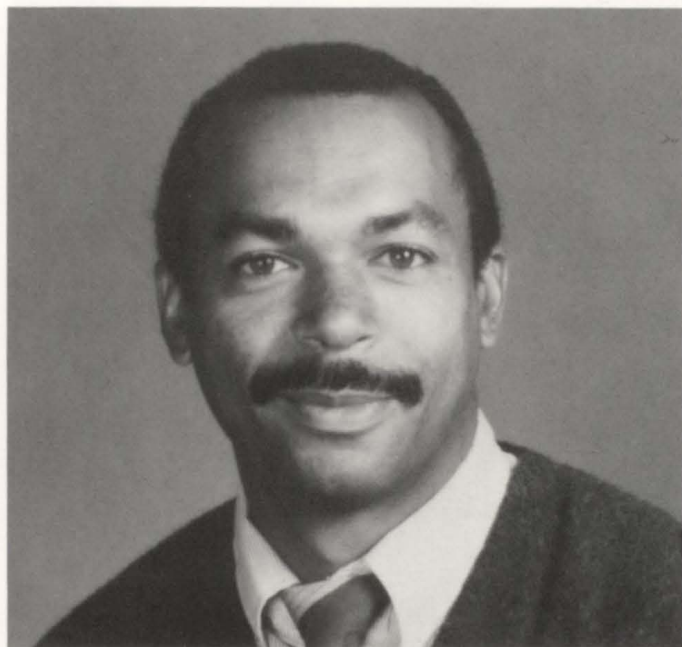

John Trimnell, Principal

An unique triumvirate effectively describes the leadership of JCHS. Realizing the specialness of each particular situation, the principal and his assistants apply the rules. Without their diverse mixture of talents and personalities, JCHS would never achieve that unity in spirit.

LUNCHROOM STAFF

A DEDICATION TO

Mrs. Sherry Sanders

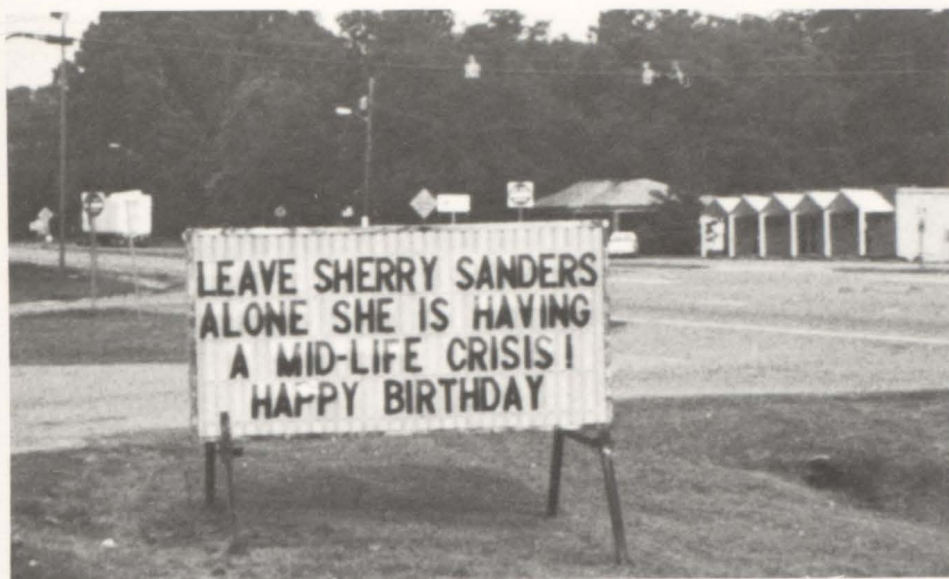

Mrs. Bonnie Stevenson

Coach John "Bubba" Williams

THREE SPECIAL PEOPLE

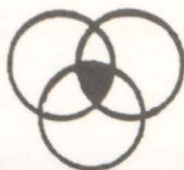

Mrs. Sanders, thank-you for bringing your class to life. Your high energy and love for your subjects are contagious. You will always be a part of everyone you teach.

Mrs. Stevenson, we appreciate you taking the time to expose our minds to other things outside of our own little world. Your efforts extended past school grounds, taking some of us to places we have never been.

Coach Williams, we commend you for reaching beyond what is required of you, giving your all for the sake of the students. Through your leadership and communicative skills, you led our football team through a very successful season.

ACADEMICS

"... success is to be measured not so much by the position one has reached in life as by the obstacles which he has overcome while trying to succeed." — Booker T. Washington

These organizations are the products of hard work and achievement. Each and every individual has a special talent to contribute. By acting as a unit, the academic genre is a powerful extension of the school. They have evolved to a new standing in society on the whole. Only the elite minds effectively participate in the molding of the future. Participation in these clubs will help students stand on their own ground.

1. Typing I students compete against themselves in preparation for upcoming competition.
2. The National Honor Society shows their school spirit by participation in the Homecoming Parade.
3. Suzanne Stevens and Mitzi Davidson, yearbook staff members, place pictures on their layouts.

SONG

When I am dead, my dearest,
Sing no sad songs for me;
Plant thou no roses at my head,
Nor shady cypress tree:
Be the green grass above me
With showers and dewdrops wet:
And if thou wilt, remember,
And if thou wilt, forget.

I shall not see the shadows,
I shall not feel the rain;
I shall not hear the nightingale
Sing on as if in pain:
And dreaming through the twilight
That doth not rise nor set,
Haply I may remember,
And haply I may forget.

— Christina Rossetti

STUDENT LIFE

The hustle and bustle of a student's everyday life can be complicated, yet fun and exciting. Girls and guys impatiently await the lunch bell and one more chance to see their sweethearts. Between classes, groups of people hurry to their next class, hoping to avoid the dreaded tardy bell. Finally the day is over, but the students aren't through yet. Some rush off to jobs and others to club meetings and practices. We never get caught up. There is always something to do, better yet, get into. It's an endless cycle, but we only live once, so make the best of these high school years.

WORKING

We not only spend our free time after school and on weekends playing but also **WORKING!** Well, it's not all bad; in fact, payday is great! That seems to make even the longest day tolerable, not to mention that some of our closest friends work right along with us. Some we've known forever and others come with the territory! To everyone who works hard in their spare time, remember the friends and payday, and have fun making memories.

Jan looks like she really loves working at Wal-mart.

WHITE CHRISTMAS

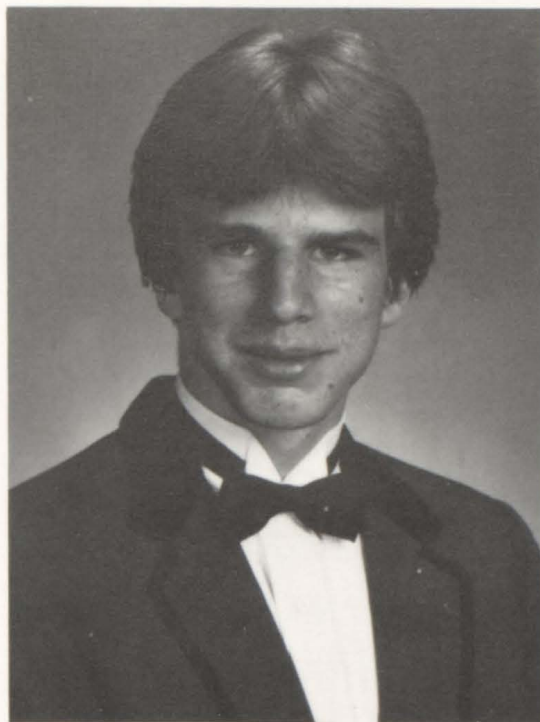

Each year the senior class produces the White Christmas program to collect gifts to donate to the Department of Family and Children's Services. This year our theme was Peace. The welcome was given by Sr. Class President, Chap Nelson. The skit was written by Ms. Scamihorn. The actors were Kecia Woods, Jaye Salter, Heidi Lupton, Eddie Slocumb, Mike Pattis, Tripp Asbell, Barry Johnson, Jamie Brantley, Mike Sibley, Mark Califf, Tammy King, and Leesa Phillips.

The entire senior class sang carols. Soloists were Labrina Tibbs and Benjanese Stewart. Todd and Tarshena Shuler sang a duet. The scripture was read by Kelli Cobb, with Mindy Moore receiving gifts and an explanation of the gifts by Kim Cribb.

"Friends are friends forever if the
Lord's the Lord of them."

John Eric Paul
February 8, 1970
December 26, 1987

Oh what a dark and dreary day.
The day that you passed away.
You were always there with a smile,
Kind word, or helping hand.
My Lord, this is so very hard to understand.
Hard to understand why You would take someone.
One whose life had just begun.
The gentle giant who stood so tall.
There was no mistaking; that's John Paul.
A friend through the years, just like a brother.
Someone as unique as you; there could be no other.
And oh what a future; so, so bright.
My Lord, I know he saw Your light.
He was so perfect, honest, and true.
There wasn't a thing he wouldn't see through.
So really what I'm trying to say is . . .
John, you're the one we salute this day,
But forever in our heart your memory will stay.

Mike Gordon, Class of 1987

MEMORIES

Hold onto your memories with a firm hand because this is the time when they are cherished the most ... in high school.

Memories have a special meaning in our lives. You can either share them with a friend or lock them as a keepsake in the back of your mind.

Students, remember the time when everything was quiet in class and your stomach started growling?

Teachers, remember the student who would just never stop talking?

Students, remember the friends you lost and new friends you gained?

Teachers, remember that special student who stole your heart?

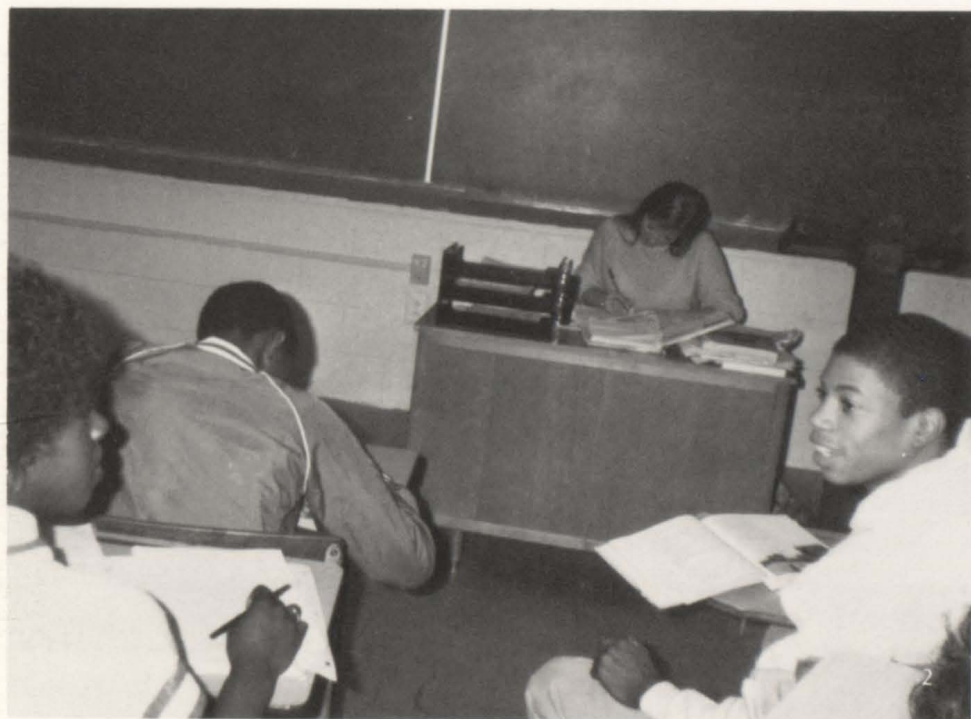

Remember that messy locker you were afraid to open?

Remember the bitter-sweet times here at school? Believe it or not, we all make the memories of Jones County High.

1. Mark and Greg try to keep the decorations on the tree. 2. Posing for pictures is a tough job and I don't want to do it.

1. Shannon! Sheila! Goofing-off is not in the curriculum. 2. Emanuel, aren't you ever quiet? 3. See what happens when the teacher turns her back?

The yearbook not only represents the student body of Jones County High School, but it is also a collection of memories and ever-lasting friendship that will always be remembered. As we make these memories, we form that "UNISON OF SPIRIT" that is greatly needed.

I wish the class of 1988 the best of luck in all that you do. We've been together for years and for the first time, we will be going our separate ways. I hope you achieve your goals in life.

I would like to thank the members of the yearbook staff for your support. All of your hard work has paid off, and you have a book to be proud of.

Teresa M. Hulett
